

- Yagi directional antenna

frequency range	440...475 MHz
impedance	50 Ohm
gain	8 dBi
polarization	vertical / horizontal
antenna type	yagi / yagi array antenna
voltage standing wave ratio VSWR	1.5
material antenna rod	ABS, PU foam
material radiator	copper
material passive elements	aluminium
mounting	mast mounting (Ø 35...60 mm)
connector	TNC female
length	510 mm
weight	820 g
ambient temperature	-40...+80 °C
protection class	IP 67
